## L&T Construction Awarded (Significant\*) Contract for its Water & Effluent Treatment Business

**Mumbai, December 29, 2020:** The Water and Effluent Treatment business of L&T Construction has secured an EPC order involving Design, Engineering, Supply & Installation of Plant and Equipment to lay 135 km of Slurry Pipeline and Water Pipeline Systems between Bachel and Nagarnar and associated facilities in the State of Chhattisgarh.

L&T is already executing a pumping facility as part of another package for the same client in the same area that involves the supply of positive displacement pumps and the construction of a slurry pump house.

### Background:

Larsen & Toubro is an Indian multinational engaged in engineering, procurement and construction projects, manufacturing, defence and services with over USD 21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
