L&T Plastics Machinery Wins IMEA Award for 2nd Consecutive Year

L&T Plastics Machinery Limited (LTPML), Chennai, re-affirmed its stature and standing in the industry by winning 'The Economic Times - India Manufacturing Excellence Award (IMEA) 2011' for the second consecutive year. The year too, LTPML received the award in the 'Gold' category - placing the company among the top 5% of Indian industry whose manufacturing practices are regarded as excellent.

A beaming Team LTPML represented by Mr. S.R. Subramanian , Mr. M. Kumar and Mr. V.R.J. Premkumar (middle, 4th & 5th from left).

This Award has been instituted by *The Economic Times* in partnership with the consultancy firm *Frost & Sullivan*. Mr. S.R. Subramanian, Director of LTPML & EVP, Industrial Machinery, L&T, Mr. M. Kumar, Head-Manufacturing and Mr. V.R.J. Premkumar, Head-Supply Group of LTPML, received the award from Mr. Anand Rangachary, Managing Director - South Asia & Middle East, *Frost & Sullivan*, and Mr. Sriram Ramakrishnan, Resident Editor of *The Economic Times* at a glittering ceremony in Mumbai.
