Phase-II of Durgapur Service Centre inaugurated

L&T's Construction & Mining Equipment Business Unit crossed yet another milestone with the inauguration of Phase-II of its Service Centre at Durgapur.

At a recent function, the new facility was inaugurated by Mr. Yoshinori Komamura, Member of the Board and President, Construction & Mining Equipment Marketing Division, Komatsu Ltd., Japan. Dignitaries present included Mr. S. Chakraborty, Director-Technical, Eastern Coalfields Limited; Mr. R. K. Sinha, Director-Technical, Bharat Coking Coal Limited; Mr. S. Raghavan, Senior Vice-President, Industrial Products & Machinery, L&T; and Mr. S. K. Mittra, Executive Vice-President, Construction & Mining Equipment Business Unit, L&T. The function was also attended by a large number of customers from the public and private sectors and invitees from Komatsu India Pvt. Limited, L&T-Komatsu Limited and L&T.

L&T's Durgapur Service Centre which now has a total built-up area of 4750 sq.m., is a highly specialised facility that houses spacious modular bays and comprehensive facilities to handle large jobs and major repairs of construction and mining machines.

Phase I of the Durgapur Service Centre was commissioned in 2000. With the inauguration of Phase II, L&T will be in a position to fully cater to service requirements of all its customers in the eastern sector.
