

L&T Heavy Engineering Bags CII-ITC Sustainability Award

Appreciating its sustainability policies and processes at its Hazira Manufacturing Complex, L&T Heavy Engineering has been conferred the prestigious CII-ITC Sustainability Award. L&T HE received the Certificate of Commendation for Strong Commitment to the cause of sustainability.

Mr. Y.S. Trivedi, Executive Vice President and Member of the Board - Heavy Engineering IC, received the award at a glittering ceremony held at New Delhi on January 14, 2013 from the President of India, Mr. Pranab Mukherjee.

The annual CII-ITC Sustainability Awards are conferred on Indian businesses that demonstrate excellent performance in the area of sustainable development. Instituted in 2006 by the Confederation of Indian Industry (CII) and FMCG major ITC, the Sustainability Awards are aimed at recognising exemplary performance in economic, social and environmental dimensions of Indian business.

Hazira Manufacturing Complex was declared as one of the India's most sustainable facility after a rigorous site assessment and selection process by an eminent jury.

The award is yet another recognition of L&T's continuing commitment to sustainability.
