As India's leading construction company, L&T has been consistently featured at the top of the rankings. This is the eighth year in succession that L&T has secured this award.

L&T's joint venture company, L&T-CASE was rated as the 'Fastest Growing Construction Equipment Company' in 2009 -10 by *Construction World*. L&T-CASE was selected by a panel of eminent industry leaders based on its exemplar revenue and PAT growth performance in the last 6 financial years.

Mr. S.N. Subrahmanyam, Senior Vice President – Buildings & Infrastructure, ECC Division, and Mr. C.V. Alavandi, Chief Executive, L&T-CASE, received the trophies from the Governor of Maharashtra, Mr. K. Sankaranarayanan, amidst a large gathering of leading players from the infrastructure and construction sector.
