### **L&T Construction Bags ₹ 2,164 Crore Road Project**

**Mumbai, December 13, 2011:** L&T Construction has bagged a major order valued at **₹ 2,164 crore** in its Infrastructure Segment from GMR Infrastructure. The order is for construction of stretches consisting of six laning of Kishangarh Udaipur Ahmedabad Highway. The development would be executed on EPC (Engineering, Procurement & Construction) basis.

The Kishangarh Udaipur Ahmedabad project - a mega project part of Phase V of the National Highways Development Programme (NHDP) of the National Highways Authority of India (NHAI) - is for upgrading the existing four lane section of golden quadrilateral to six lane. The National Highway-8 (NH-8) connects the National Capital, Delhi and Business Capital of India, Mumbai.

#### **Background:**

Larsen & Toubro is a **USD 11.7 billion** technology, engineering and construction group, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer - focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
