L&T Construction bags New Orders Worth ₹1340 crore

Mumbai, August 24, 2011: L&T Construction has secured new orders worth **₹1340 crore** in the Building & Factories segment during the second quarter of FY2011 for the construction of commercial & residential buildings including add-on orders from ongoing projects.

L&T has secured new orders aggregating to **₹975 crore** for the construction of a mixed use commercial development and construction of the main civil works for an IT campus from reputed customers.

In yet another development, it has secured an order valued at **₹203 crore** for the construction of a residential tower from a leading developer.

It has also secured add-on orders worth **₹162 crore** from various clients for ongoing contracts.

These orders further enhance the order book of the company which has already secured major design & build contracts in Airports, IT Parks, commercial and residential space.

Back ground:

Larsen & Toubro is a **USD 11.7 billion** technology, engineering and construction group, with global operations. It is one of the largest and most respected companies in India's private sector. A strong, customer -focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
