## L&T Construction Wins Orders Valued ₹ 2694 Crores

**Mumbai, April 17, 2017:** The construction arm of L&T has won orders worth **₹2694 crores** across various business segments.

### Water & Effluent Treatment Business

The business has received engineering, procurement & construction orders worth **₹ 2227 crores**.

Orders have been secured from Narmada Water Resource Water Supply and Kalpsar Department, Government of Gujarat for Kakrapar - Gordha - Vad Lift Irrigation, Kadana - Patadungri Lift Irrigation and Sauni Yojana Link-2 Package 4 projects.

The scope includes design and construction of pumping station with pumps, substations, transformers along with MS pipeline rising mains, an underground pipeline distribution network and other allied electro-mechanical works.

Another order has been bagged from Krishna Bhagya Jala Nigam Limited, Karnataka for Nandawadagi Lift Irrigation project. The scope of work includes construction of approach channel, sump & pump house with pumps, switchyard, transmission line and allied electro-mechanical equipment along with MS pipeline rising mains, delivery chamber and other ancillary works.

The business has also received additional orders from its various ongoing projects.

### Smart World Communication Business:

The business has received an order worth **₹180 Crores** from Greater Vishakhapatnam Smart City Corporation Limited as System Integrator to implement smart city solutions for the city of Vishakhapatnam under the Smart City Mission.

The scope of work includes installation of citywide surveillance system, variable message boards, public address systems, wi-fi access points, data centre with disaster recovery, command control centre, collaborative monitoring and facility management system. The project also includes implementation of smart elements such as solid waste management system, smart transport, smart poles, smart lighting, environmental sensor and enterprise resource planning.

### **Transportation Infrastructure Business:**

The business has bagged an engineering, procurement and construction order worth **₹ 287 crores** from the Ministry of Road Transport & Highways (MORTH) for two laning of the Helwak Karad Section of NH-166E in Maharashtra. The scope of work includes construction of 48.4 km of two lane carriageway with concrete pavement, one major bridge, 14 minor bridges and other associated works.

### **Background:**

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with **USD 16 billion** in revenue.
