## L&T Construction Wins Orders Valued ₹ 2231 Crores

Mumbai, June 19, 2017: The construction arm of L&T has won orders worth ₹ 2231 crores across various business segments.

### Building & Factories Business

The business has bagged a turnkey order worth ₹ 1324 crores from Andhra Pradesh Township Infrastructure Development Corporation Ltd. for the construction of residential buildings in the West Godavari District of Andhra Pradesh. The project is the part of the Pradhan Mantri Awas Yojana (PMAY) scheme and consists of residential tenements for the economical weaker sections. The scope of work includes construction of around 22,000 residential units on a fast track mode.

### Power Transmission & Distribution (PT&D) Business

The business has bagged major orders worth ₹ 540 crores.

A transmission line order has been secured from Power Grid Corporation of India Ltd. to build a section in the ±800kV HVDC bipole link between the Western and Southern Regions. Having secured another stretch of the same corridor earlier, the PT&D business is constructing significant parts of this vital HVDC link.

Further, an engineering, procurement and construction contract has been bagged from NHPC Ltd. for the development of a 50MW Grid Connected Solar PV project including the evacuation arrangements, near the border of Theni and Dindigul districts in Tamil Nadu.

### Water & Effluent Treatment Business

The business has won an order worth ₹ 367 crores from Tamil Nadu Water Supply & Drainage Board to execute a dedicated water supply project for Erode Corporation. The scope includes construction of an intake cum pump house in the river Cauvery, a 120 MLD water treatment plant, water storage structures along with supply & laying of clear water mains, feeder mains and distribution system.
