L&T Hydrocarbon Engineering Wins Order Valued Over ₹ 1,600 Crores

Mumbai, December 7, 2017: L&T Hydrocarbon Engineering Limited (LTHE), a wholly owned subsidiary of Engineering and Construction major, Larsen & Toubro Limited, has won an order worth over ₹ 1,600 Crores from Hindustan Petroleum Corporation Limited, Visakhapatnam Refinery.

The project is a part of HPCL Visakh Refinery Modernisation Project (VRMP) and involves Engineering, Procurement, Construction and Commissioning of **3.053 MMTPA Full Conversion Hydrocracker Project**.

The order reinforces L&T's unique capability to deliver 'design to build' engineering and construction solutions across the hydrocarbon spectrum.

L&T has been serving the onshore hydrocarbon sector since early 1990s. The Company's track record includes successful completion of several challenging projects for domestic and International Clients.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with USD 17 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
