## L&T Wins ICC Corporate Governance & Sustainability Vision Award

L&T won the prestigious Corporate Governance & Sustainability Vision Award 2019 in the 'Sustainability Performance' Category from Indian Chamber of Commerce (ICC) for its first Integrated Report (2017-18).

The award was presented at the 9th India Corporate Governance & Sustainability Vision Summit & Awards on February 21, 2019 at New Delhi. This award endorses L&T's perseverance in improving its triple bottom-line (economic, environmental & social) performance.

The dignitaries who graced the occasion were Mr. Anil Swarup, Former Secretary, Department of School Education & Literacy, Ministry of Human Resource Development, Mr. Bhaskar Chatterjee, Former Secretary, Department of Heavy Industries & Public Enterprises, and Mr. Anil Razdan, Chairman-ICC National Expert Committee on Energy & Former Secretary, Department of Power.

In the past, L&T has won ICC's 'Sustainability Reporting' and Water Stewardship' awards.

The winning Integrated Report showcased the highlights of L&T's sustainability performance, such as:

- a. Powai & Chennai campuses became 'Carbon Neutral' in 2018.
- b. Avoided more than 77,900 tonnes of CO<sub>2</sub> emissions by conserving more than 95 million units of electricity.
- c. Reduction of the water consumption per person at L&T locations by more than 11%.

ICC is an industry association working towards a growth-oriented model for all the key driving sectors of the economy. Its primary focus is creating a sustainable model both for industry and society through inclusion, empowerment and development of human resource. The Corporate Governance & Sustainability Vision Awards nurture innovation, build trust and help in shaping a sustainable future.
