

Inauguration of Engineering Center, L&T-MHI Boilers, Chennai

L&T-MHI Boilers Engineering Center at Chennai was inaugurated after performing Puja on 6th May 2011 by Mr. A.S. Lamba, Group Chief Executive, in the august presence of Mr. H. Aiki, Chief Operating Officer, Mr. K. Chinna Rao, Head of Department, Engineering of L&T-MHI Boilers, and Mr. D.V. Ramana Rao, Vice President, TPPC.

In view of the expansion plans, an existing L&T office location was considered so as to get logistic and support assistance from the L&T's various independent companies. The 4th floor of Vishranti, Jayant Tech Park was zeroed in for the purpose of setting up the engineering facility of L&T-MHI Boilers.

The engineering setup has been allotted 139 seats and shares facilities for Training Room, VC Room, Printing/Plotting, Reception, Admin and Canteen. The facility will have all disciplines of engineering and will use the latest software and hardware as per the current industry practices.
