L&T Construction Wins (Significant*) Orders for its Buildings & Factories Business

Mumbai, January 17, 2024: The Buildings & Factories (B&F) Business of Larsen & Toubro (L&T) has secured orders in India & Oman.

The Residential Business of B&F has secured a significant repeat order from Government Planning & Development Authority, Maharashtra to construct EWS Housing, 14 towers and related infrastructure works in Navi Mumbai.

The scope of works includes Design & Construction of civil structures in all aspects including Finishes, MEP, and related external development works. The Project is to be executed within 42 months.

Further the business through the L&T Oman entity has been awarded the contract for a Mixed-Use Development project in Muscat by a reputed private client.

This contract involves the construction of a 3-star hotel featuring 80-key hotel rooms, 101 serviced apartments, and a 23-key residential apartment & office block with a common basement, associated service buildings, external works, services, as well as hard and soft landscaping.

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
