L&T Construction Wins Orders Valued ₹ 2674 Crores

Mumbai, April 22, 2015: The construction arm of L&T has won orders worth ₹ 2674 crores across various business segments.

In the Transportation Infrastructure Business, a major order has been received from a private infrastructure developer for the engineering, procurement and construction (EPC) of four- laning of the Hospet-Chitradurga road section in Karnataka under the National Highways Development Project (NHDP) Phase III.

The Power Transmission & Distribution Business has bagged an EPC order from a reputed oil refinery company in Middle East for the enhancement of their existing electrical facilities.

The Solar Business has received orders for the turnkey construction of solar photovoltaic power plants from multiple private solar developers.

Additional orders have also been received from ongoing jobs of other businesses of L&T Construction.

Background:

Larsen & Toubro is a major Indian multinational engaged in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
