L&T-S&L completes 18 years of operations in power sector

On May 5, 2013 L&T-Sargent & Lundy completed 18 years of operations in the field of power sector. Since 1995, L&T-S&L has grown from strength to strength in providing world-class engineering and design services for power plants and associated fields. With unmatched professional expertise and deployment of state-of-the-art technology, L&T-S&L is recognized as one of the fastest-growing engineering companies offering a wide range of services from concept to commissioning. L&T-S&L has engineered more than 26,000 MW of coal-based projects and more than 19,000 MW of gas-based projects in the Indian and International markets. The consulting experience of more than 120 years from Sargent & Lundy, USA and EPC experience of Larsen and Toubro - our parent organizations, further add to our capabilities and vision to become the most preferred engineering consultant creating value for stakeholders across the globe.
