L&T Ranked Among Asia's Top 5 'Most Sustainable Companies'

L&T has, once again been featured among Asia's Top 5 'Most Sustainable Companies' in the Industrials Sector in *Channel NewsAsia's* Sustainability Rankings 2015.

In the Top 100 Most Sustainable Companies' list, L&T stood at 81. Only 18 companies from India made it to the Top 100 list.

The *Channel NewsAsia* Sustainability Ranking identifies the Top 100 companies in the region with the highest sustainability performance, based on a broad range of environmental, social and governance (ESG) indicators. The analysis took into account the performance of the company in terms of contribution to social development, good governance and environmental protection.

The ranking provides investors and consumers with insights into corporate sustainability practices, and aims to provide businesses with a way to benchmark their performance against other regional businesses. The countries covered including India are China, Hong Kong, Indonesia, Malaysia, Philippines, Singapore, South Korea, Taiwan, Thailand, and Japan.

Channel NewsAsia was established in March 1999 by MediaCorp, and is an English language Asian TV News channel. Based in Singapore, it has correspondents in major Asian cities and key Western ones, including New York, Washington D.C, London and Brussels.
