L&T Secures Rs. 966 Crore Orders from Metallurgical & Water Sectors

Mumbai, October 14, 2009: Larsen & Toubro's (L&T) Metallurgical, Material Handling & Water Operating Company – a part of its Construction Division – has secured orders aggregating Rs. 966 crore from customers like Sterlite Industries India Limited, Uttar Pradesh Jal Nigam & Gujarat Water Infrastructure Limited. This includes Rs. 225 crore order from the Metallurgical Sector and Rs. 741 crore orders from the Water Sector.

Metallurgical Sector

The company has secured an order valued at Rs. 225 crore from Sterlite Industries India Limited for the construction of 4 lakh TPA Smelter Plant at Tuticorin (Tamil Nadu). The scope of the project involves complete civil & structural works for concentrate handling area, smelter & refinery, acid plants & utilities including engineering. The project is to be completed in 18 months.

The above order, secured from the major player in the non-ferrous metallurgical sector, clearly indicates the enormous trust the customer has on L&T's expertise in engineering, construction and project procurement / management.

Water Sector

The Uttar Pradesh Jal Nigam has entrusted L&T with a Rs. 488 crore order for implementing JnNURM Scheme. Out of this Rs. 274 crore will go to provide sewage system to Varanasi City in 30 months, Rs. 121 crore to provide water supply to Allahabad City in 24 months and Rs. 93 crore to a waste water management system for Mathura Town in 24 months.

The Company has also secured Rs. 253 crore order from Gujarat Water Infrastructure Limited, Government of Gujarat, for implementing NC-24 Water Supply Scheme in Gujarat, to be completed in 18 months.

Back ground:

Larsen & Toubro is a USD 8.5 billion Technology, Engineering & Construction group, with global operations. It is one of the largest and most respected Companies in India's private sector.

A strong, customer-focused approach and constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over the past seven decades.
