L&T Construction Awarded (Significant*) Contract for its Buildings & Factories Business

Mumbai, December 22, 2021: The construction arm of Larsen & Toubro has secured a significant order for its Buildings & Factories business from a reputed developer.

The residential business of Buildings and Factories has secured this order to construct one of the largest residential townships in Bengaluru. The project involves construction of 6,768 apartments spread across 39 Towers with 2 Basements + Ground + 27 to 31 Floors. Additionally, the development entails 149 villas along with club houses, swimming pools and other amenity structures. The total built up area will be 13.43 million sq.ft. The project is scheduled to be completed in 42 months.

The scope of works includes Design & Construction of entire civil structure including waterproofing, masonry, plastering and electrical conduiting.

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
