## L&T Wins (Mega\*) Prestigious Contracts

**Mumbai, January 12, 2022:** A consortium led by L&T Hydrocarbon Engineering (LTHE), a wholly owned subsidiary of Larsen & Toubro, has secured two offshore packages from a prestigious overseas client.

The scope of work comprises EPC for new facilities and integration with existing installations.

LTHE is currently executing several domestic and international offshore projects. LTHE is also committed to building its regional presence in geographies that it operates by growing local skills and talent, improving procurement from local vendors, engaging commercially with local contractors on the foundation of a sustainable workload.

Organized under Offshore, Onshore, Construction Services, Modular Fabrication and Advanced Value Engineering & Technology (AdVENT) verticals, LTHE offers integrated design-to-build solutions across the hydrocarbon sector to domestic and international customers. With over three decades of rich experience, the company has been setting global benchmarks in all aspects of project management, corporate governance, quality, HSE and operational excellence.

### Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
