L&T Construction awarded yet another contract (Large*) in the Bullet Train Project

Mumbai, Dec 05, 2022: The Buildings & Factories Business of L&T Construction has secured an order from the National High-Speed Rail Corporation Limited (NHSRCL) to construct the Sabarmati Depot (MAHSR - D-2) in the state of Gujarat for the Mumbai - Ahmedabad High Speed Rail (MAHSR) project through a consortium led by Sojitz Corporation, Japan.

The scope of the MAHSR -D-2 package project involves Design, Supply, Construction & Testing, and Commissioning of the depot spread over approximately 82 hectares including various specialised equipment required to inspect & maintain the rolling stock based on the proven Shinkansen technology and upon completion, will be the biggest depot in India for this purpose.

L&T is already executing civil viaduct and station packages C4, C5 & C6, special steel bridges packages P4(X) & P4(Y) and Ballastless Trackworks (Package No: T3) for the Mumbai-Ahmedabad High Speed Rail (MAHSR) project.

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality has enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
