L&T Wins (Major*) Contracts for its Hydrocarbon Business

Mumbai, Mar 21, 2023: The Hydrocarbon Business (L&T Energy Hydrocarbon - LTEH) of Larsen & Toubro (L&T) has secured multiple offshore packages from a prestigious overseas client.

The scope of work comprises engineering, procurement, construction & installation of offshore structures and upgradation of existing facilities.

LTEH is executing several domestic and international offshore projects and is committed to building its regional presence in geographies that it operates in, by nurturing local skills and talent, improving procurement from local vendors and engaging commercially with local contractors on the foundation of a sustainable workload.

Organized under Offshore, Onshore, Construction Services, Modular Fabrication and Advanced Value Engineering & Technology (AdVENT) verticals, LTEH offers integrated design-to-build solutions across the hydrocarbon sector to domestic and international customers. With over three decades of rich experience, the Business has been setting global benchmarks in all facets of project management, governance, quality, health safety environment (HSE) and operational excellence.

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality has enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
