L&T Construction Awarded (Significant*) contracts for its Water & Effluent Treatment (WET) Business

Mumbai, November 07 2023:

Water & Effluent Treatment Business of L&T Construction has secured repeat orders from the Water Resources Department, Government of Odisha to execute Cluster XXII & Cluster XXV Mega Lift Irrigation Projects.

The aggregate scope of works includes execution of 19 Lift Irrigation Schemes comprising intake points spread across the Manjore reservoir, Brahmani River, Rengali Left Main canal, Rengali Right Main Canal & Indravati Reservoir to irrigate a culturable command area of 28,944 hectares in the districts of Angul, Dhenkanal & Nabarangpur on a turnkey basis. The scope additionally includes establishing a distribution network, power system connectivity, and operation and maintenance of the entire commissioned infrastructure for fifteen years.

The Business has also secured an add-on order from the Water Resources Department, Government of Madhya Pradesh to execute Pressurized Piped Lift Irrigation Projects on a turnkey basis to irrigate about 34,942 Ha of culturable command area in the Dewas District of Madhya Pradesh.

These orders align with the Company's commitment to sustainable development and to improving the lives of farmers and communities.

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
